

SVETN and Barter Connect Workshops

"Our students thoroughly enjoyed the (ITV) presentation. They liked learning about the costumes, weapons, and set. John Hardy helped us feel relaxed and included. Why not also offer (Barter workshops) as inservice training? I think English teachers would love this...."

- Brenda Vernon, Washington County

SVETN's partnership with Barter Theatre to offer Barter Connect workshops is a popular program for area schools. Recently, a workshop for the play, **Romeo and Juliet**, was presented to several schools. The next workshop, **Jane Eyre**, will be offered in September 2006. For information on participation in this and other SVETN programs see our website, www.svetn.org.
